CEU 1_8:00am to 9:00am - Colormix 2012

(Approvals: 0.1Hrs, IDCEC # 8727)

Is an elemental journey for Interior Designers. Color is always on the move, and right now, it's exploring its origins. Colormix™ 2012 surveys the landscape to find core palettes inspired by Mother Earth.

Presented by: Carolyn Barton - Designer Marketing Manager and Garvin Frantz - The Sherwin Williams Company www.sherwin-williams.com

CEU 2_9:30am to 10:30am - Quartz Surfaces: Attributes, Production, Benefits, and Design Applications

(Approvals: 0.1Hrs, HSW, NCIDQ # 5576, AIA # CAMB08)

Covers the fundamentals of quartz surfacing and provides an overview of the supply chain & specifications. A look into surface selection, as well as surfaces in general, to determine the best product for the application and quality control considerations for manufacturing variables.

Presented by: Georgia Farmer - Florida Regional Mgr - Cambria, www.cambriausa.com

CEU 3_11:00am to 12:00pm - PORCELAIN TILE - Sustainable Flooring for the Future

(Approvals: 0.1Hrs, HSW, AIA # DAS0173, IDCEC # 40369)

Learn proper selections and why Life Cycle Cost of each material is important to your final decision as it relates to your project application. Also discussed are the proper Questions to ask based on what your project flooring application needs require. Gain knowledge on ceramic tile types and a review of the tests methods – hardness, abrasion, COF. *Presented by: Jim Caron - Architectural Promotions & Services - www.aps-inc.net*

Reminder: Contact ASID FSC or CBIA if you wish to purchase an Expo booth, afternoon Workshop or increase your visibility with Sponsorships.
