

The Collier Building Industry Association is an organization of dedicated industry professionals who are inspired to make a real difference in our community through Advocacy, Education, Networking & Philanthropy.

3-in-1 MEMBERSHIP

CBIA, Florida Home Builders Association **FHBA** and National Association of Home Builders **NAHB**.

ADVOCACY: CBIA serves as a thoroughly engaged and effective advocate for its members representing the interest of the building industry in Collier County, State and Nationally. CBIA supports quality in construction by providing representation on various county and inter-organizational committees to promote a better business climate in southwest Florida.

EDUCATION: CBIA gives you the competitive edge that's so critical in the industry. CBIA Membership includes 1 free slot in the G. C. 14 hours of Continuing Education and various training session on issues of importance to contractors.

NETWORKING: CBIA provides opportunities for building relationships and networking. There is no better way to meet your colleagues and interchange ideas through CBIA General Membership meetings on timely topics, Mixers for informal networking, golf tournaments and Committee/Council/Task Force participation.

PHILANTHROPY: CBIA supports our community through public service. Collective efforts among our members include community service construction projects, an annual toy drive for over 1000 children in Immokalee, support for high school construction academies and student scholarships for those continuing their education in construction related careers.
