About CBIA:

The Collier Building industry Association (CBIA) is a not-for-profit professional association of dedicated professionals who are inspired to make a difference in our community through advocacy, education, networking and philanthropy on behalf of the construction industry. CBIA is one of 800 state and local associations and operates under the auspices of the Florida Home Builders Association and the National Association of Home Builders. The CBIA- Sales and Marketing Council (SMC) provides sales and marketing assistance, information and support to the builder and associate members of the CBIA. The SMC serves as a means to stimulate and maintain a high quality of sales and marketing expertise for CBIA members. For information call 436-6100 or visit www.cbia.net.
