

INSURING OUR CLIENTS' TRUST SINCE 1953

Cordially invites you to attend our

CONSTRUCTION AND DEVELOPMENT INSURANCE AND BONDING WORKSHOP

Lutkert Insurance will be hosting two workshops this fall that you don't want to miss! These comprehensive workshops will last 90-minutes and are guaranteed to provide actionable intelligence for everyone. Topics covered will include:

General Liability – This segment of the workshop will explain the various policy forms and endorsements that are often required on a construction or development project. Whether you are providing the coverage or requesting it; understanding what it means is paramount to adequately protecting your risk.

Workers Compensation – This portion of the workshop will provide a comprehensive overview to managing your workers compensation costs, we will cover:

- Controlling Costs
- Safety as a culture
- Importance of a Return to Work Program
- Understanding how un-insured subcontractors affect your work comp program and costs

Surety – The final segment of the workshop will cover surety bonding. We will address:

- What it takes to become bonded and maintain a program
- Fast track bond programs
- Pitfalls to avoid
- Pricing
