SALES & MARKETING COUNCIL

Providing the building industry professionals with:
Networking - Information - Recognition - Education & Training - Professional Development

The Sales & Marketing Council's (SMC) primary purpose is to provide sales and marketing assistance, information, and support to the builder and associate members of the Collier Building Industry Association (CBIA) with the goal that they might design and build products suited for the marketplace and market those products in the most effective manner possible. The SMC serves to stimulate and maintain a high quality of sales and marketing expertise for CBIA members.

SMC Members are builders, sales or marketing professionals, advertisers, interior designers, media and others who directly support the building industry. Members meet to share professional concerns and information, exchange new ideas and trends within the home building industry, develop professional skills; increase motivation, and promote homeownership in the community.

The strength of the Council can be measured by the participation and enthusiasm of each member. By working closely with our members, SMC continues to develop programs of interest and educational value. Our members make a positive impact on the industry and the community in which they reside.

NATIONAL & STATE AFFILIATION
Our SMC is affiliated with the National Association of Home Builders (NAHB) National Sales and Marketing Council (NSMC) and the Florida Home Builder Association's (FHBA) Sales and Marketing Council.

TOYS & JOYS FOR GIRLS N' BOYS ANNUAL TOY DRIVE

Chair: Meegan Wyatt, Naples Illustrated
Each year, the Sales & Marketing Council has a "Toy Drive" to benefit the children in our community. For 28 years, SMC members have raised funds and collected toys for children in some of our neediest public schools. Seven years ago, SMC branded the annual toy drive with a logo and title, "Toys & Joys for Girls N' Boys. With the support of CBIA members and community partners, SMC donated over 2,000 toys to Pinecrest Elementary School and Shadowlawn Elementary School students.
