Restrictions for dumping “Clean Concrete Loads”

Roof Tile consisting of Concrete or Clay may be dumped as “Clean Concrete” at a rate of \$33.70 per load regardless of size.

All “Clean Concrete Loads” must be clear of all other items.

This includes:

- Paper Items
- Plastic Items
- Cardboard
- Wood
- Metal
- Garbage
- Etc.

If any foreign items other than Concrete or Clay Tile are detected at the Scale House or while offloading, the load will be reclassified as C&D Materials and charged at the much higher rate of \$79.18/ton.
