

## **John E. Moon**

**16059 Via Solera Circle**

**Fort Myers, Florida 33908**

**(239)200-3533**

**E-mail [johnmoon@rocketmail.com](mailto:johnmoon@rocketmail.com)**

### **Objective**

To apply my related experience and extensive qualifications to further my career in the design, building, and construction industry.

### **Qualifications**

Qualifications relevant to all aspects of construction from residential and multifamily production, multi-story commercial and high end custom homes. Capable of managing all aspects of construction from design, permitting, subcontractor coordination and management, cost control, value engineering, inspections, and budget control. Familiar with traditional and new building products, their relative cost, and their quality versus value. Understanding of local property values and the cost of construction relative to square footage and final selling price based location of product.

### **Work History**
