

## **RESOLVE A BUILDING PERMIT ISSUE**

New web Form to resolve permit issues related to Cancellations and Extensions

The Form is located at the top of the Permit Cancellation and Reactivation webpage (<https://www.colliercountyfl.gov/your-government/divisions-a-e/building-review/permit-cancellation-and-reactivation> ). Users will see the first three questions as they arrive on the page, and if they choose to fill it out, they'll get access to the rest of the Form.

The Cancellation and Reactivation team will receive notifications whenever a form is submitted and will be able to access the details and attachments online to resolve the issues, and generate basic reports.
