

Welcome to the Team!

Effective June 2nd 2014 the North Naples Fire & Rescue District in cooperation with Collier County Growth Management will be opening the doors to the North Naples Fire Plan Review division, this office will be functioning within the Collier County software that in turn will provide a simultaneous review process which equates to quicker service for our customers. During the transition the current plans submitted before June 2nd (May 30th) will be reviewed by Collier County Fire Code Office.

The NNFD Plan Review Office will be staffed with 4 plan reviewers with online access to all resources provide by NNFD & Collier County.

The NNFD Plan Reviewers will have direct communication with Collier County Plan reviewers from all fields which will allow for a positive team approach to uniformity between all fields.

The NNFD Plan Reviewers are part of the North Naples Fire Prevention Bureau which includes all NNFD Fire Inspectors. This will allow for direct collaboration between reviewer and inspector to provide quality and efficient service to our customer.

Teamwork is the ability to work together toward a common vision.

The ability to direct individual accomplishment toward organizational objective,

It is the fuel that allows common people to attain uncommon results. ~Andrew Carnegie

Thank you all in advance for your patience through the transition and understand that you the customer have a major role within our team. If you have any questions or concerns please feel free to contact me at 239-572-0562 or email: exr@northnaplesfire.com.

Sincerely,
